

The President's National Security Telecommunications Advisory Committee

Committee Member Biography

The President's National Security Telecommunications Advisory Committee

Michael W. Laphen

**Chairman, President and Chief Executive Officer
CSC**

Mr. Michael W. Laphen became president of CSC in 2003, was elected to the position of chief executive officer (CEO) in 2007, and was appointed as chairman of the board of directors in 2007. He retired from all positions in March 2012.

Mr. Laphen joined CSC in 1977. During his tenure, he held a variety of senior management positions, including serving as chief operating officer, chief executive of the company's European group, president of CSC's Federal sector-civil group, and president of CSC's integrated systems division. He has served in the United States Air Force and the Pennsylvania Air National Guard.

Mr. Laphen is a member of the Information Technology Association of America, the Armed Forces Communications and Electronics Association, and the National Defense Industrial Association.

Mr. Laphen earned his bachelor's degree in business from Pennsylvania State University and a master's in business administration from the Wharton School of Business at the University of Pennsylvania.
