

The President's National Security Telecommunications Advisory Committee

Committee Member Biography

The President's National Security Telecommunications Advisory Committee

Thomas J. Lynch
Chief Executive Officer
TE Connectivity

Mr. Thomas J. Lynch is the chief executive officer (CEO) and member of the board of directors of TE Connectivity. Mr. Lynch originally joined Tyco International in 2004 as president of Tyco Engineered Products and Services. He was promoted to CEO of Tyco Electronics, now TE Connectivity, in 2006.

Prior to joining Tyco International, Mr. Lynch held several positions at Motorola, Inc., including executive vice president, president, and CEO of Motorola's personal communications sector. Prior to this role, he served as president of the Integrated Electronics Systems sector. Before joining Motorola, Mr. Lynch was senior vice president and general manager of the satellite and broadcast network systems segment for General Instrument Corp.

Mr. Lynch serves as a director of the U.S.-China Business Council; vice chairman of Rider University's board of trustees; and a member of the board of directors for Thermo Fisher Scientific.

Mr. Lynch earned a bachelor's degree in commerce from Rider University.
